- carrying out activities connected with running of our business such as personnel training, quality control, network monitoring, testing and maintenance of computer and other systems; and
- for general administrative and business purposes.

## Sharing your information

There may be times when we need to disclose your personal information to third parties. If we do this, we will disclose your information to:

- those who provide to us products or services that support the services that we provide, such as our dealers or suppliers.
- other network operators to enable you to make or receive calls through other networks, so we can transfer numbers from one network to another and to monitor or investigate fraud or other offences.
- credit reference agencies (unless we have agreed otherwise), who may share your information with other organisations and who may keep a record of the searches we make against your name.
- debt collection agencies or companies, to collect any money owing by you in respect of an unpaid Vodafone bill.
- if someone else pays your bill, such as your employer.
- anyone who assists us in protecting the operation of the Vodafone networks and systems, including the use of monitoring and detection in order to identify potential threats, such as hacking and virus dissemination and other security vulnerabilities.
- anyone who hosts or maintains data centres, service platforms and other infrastructure and systems on behalf of us, where your information is processed.
- persons to whom we may be required to pass your information by reason of legal, governmental or regulatory authority including law enforcement agencies and emergency services.

- other services providers in relation to a service used through our network to allow that service to be charged to you.
- third parties such as our advertisers, customers, potential customers and partners in the form of aggregated user statistics and other information that does not personally identify you; and
- other people who you specifically request we share your account information with.

### **Protecting your personal information**

We take reasonable steps to ensure that the personal information we collect, use or disclose is accurate, complete, up-to-date and stored in a secure environment protected from unauthorised access, modification or disclosure.

Vodafone may disclose your personal information in an emergency, or under specified business imperatives and at the request of law enforcement or for other reasons in the public interests.

### **Changing this Notice**

We reserve the right to amend or modify this notice at any time, after TRA approval, and we will notify you about any changes, by publishing the amended or modified notice on our website [www.vodafone.om](http://www.vodafone.om) or in any other relevant way available to us (as determined by Vodafone).
